

## **Advanced Concealed Carry**

This one-day course is designed to bridge the gap between basic concealed carry certification class and real-world scenarios. Threat assessments, de-escalation and lethal force will be covered. This is a physically challenging class and students will be engaging each other in force-on-force training utilizing paintball simulation pistols. Students will focus on “Getting Off the X” and de-escalation and then practice those techniques on the range. The topics that will be covered include:

- Situational Awareness
- De-escalation
- Threat Assessments
- Drawing from concealment
- Force on Force

Attendees will be provided protective gear for the force-on-force training.
